

## NOTICE TO OWNER OF MECHANICS LIEN LAW

(N.R.S. 108.246)

To:

(Owner's Name and Address)

**The provisions of NRS 108.245, a part of the Mechanics' and materialmen's lien law of the State of Nevada, require, for your information and protection from hidden liens, that each person or other legal entity who supplies materials to or performs work on a construction project, other than one who performs only labor, deliver to the owner a notice of the materials or equipment supplied or the work performed. You may receive these notices in connection with the construction project which you propose to undertake.**

By:

(General Contractor's Name, Address and Signature)
