Nevada Lien Law 2017

A Full Day Seminar Covering
Nevada Construction and
Mechanics Lien Law
September 14, 2017

Leon F Mead II

“Wrote the Book” on Nevada Construction Law

Leon will present this full day seminar Live!

Nevada’s Unique Mechanic’s Lien Law

“Nevada’s mechanic’s lien law is unique in the United States,’ because it has been ‘almost entirely derived by work of the Nevada state legislature.’ Leon F. Mead II, Nevada Construction Law § 8.1 (2010).”

– Unanimous Nevada Supreme Court Opinion, *In re Fontainebleu Las Vegas Holdings*, 289 P.3d 1199, 1210 (Nev. 2012)

Not Your Typical Lien Law

As the Nevada Supreme Court has recognized, Nevada’s mechanics lien law is unique in the United States. To protect your company, you must know the Nevada law that applies to your business.

Use Nevada Law to Your Advantage!

Nevada Lien Law 2017

A full day seminar on Nevada Construction and Mechanics Lien Law, fully updated through the 2017 legislative changes. The seminar will cover all the information you need to ensure that you get paid. The information discussed will include all aspects of Nevada construction, from key requirements for proper Nevada contractor licensing to enforcing and defending mechanics liens, stop work notices and other payment remedies unique to Nevada. Leon will discuss all up to date Nevada Mechanic’s Lien Forms, Payment Releases, and other Documents you need to succeed.

Get your questions answered!
